KaiNexicon Training Seminar May 25, 2022 at 1 - 4 pm CT

Come Join the Improvement Movement

Training Topic: Dynamic Board Problem Solving

Join us May 25, 2022, from 1-4 pm CT for a bonus KaiNexicon Training Seminar. We'll be taking a deep dive into KaiNexus Boards. This hands-on workshop will teach Board management, widget best practices, and techniques for utilizing Boards for collaborative problem-solving and simplification. The session will combine instructor-led training and hands-on exercises, giving attendees actionable ideas and inspiration. Secure your spot today.

What Can I Expect?

Overview of Board Management

Collaborative Problem Solving

Using Boards to Achieve Simplicity

Hands on Practice & Demonstrations

Widgets as Creative Solutions
