Program Board

The screenshot displays a BizMod interface with a main Program Board and several team-specific boards.

Program Board - 2022: A Gantt chart showing project timelines from November to March. The chart is organized into rows for different teams:

- Skin & Agbi:** Includes a task for "Prop for Market Launch - 2022" in December and "Prop for 2023" in March.
- ChangePoint Team:** Led by David Rowland - SCM and Kim Mathias - PD. Tasks include "Equip Project Command" in November, "New Tech" in December, and "Create Training Video" in March.
- Celonis Team:** Led by Chris Lynn - SCM and Mark Di - PD. Tasks include "Transition from Celonis to the new platform" in December and "Finalize Solution Presentation" in January.
- Aspire - Automate Anywhere:** Led by Jon Crawford - PD and James Gray - SCM. A task "Review the implementation plan" is shown in March.
- Healthcare:** A task "Review the implementation plan" is shown in March.
- EcoSystem:** Led by Tom Kelly - PD and Michelle Mowbray - SCURITE. A task "Review the implementation plan" is shown in March.

Team Boards: Several smaller boards are visible on the right side of the screen:

- EcoSystemTeam Board:** A board with a grid of tasks and a legend.
- ADOTeam Board:** A board with a grid of tasks and a legend.
- KaiNexus Team Board:** A board with a grid of tasks and a legend.
- Changepoint and David E Board - NOTE: #... Copy of Agen...**: A board with a grid of tasks and a legend.
- Automate Anywhere - EWF - Opcon Board:** A board with a grid of tasks and a legend.
- Celonis Board:** A board with a grid of tasks and a legend.
